

Thailand's Biggest & Best Water Park

PLAY NOW

Enchased by a tropical scenery
of beautiful green hills set and lakes

Our Focus

To provide an amazing day full of fun with affordable price and on the highest quality and safety level.
Ramayana Water Park is built for guests at any age and with any taste from all over the world.
Family friendly - anybody can find what to do and enjoy.

Slides and Water

Our slides were all designed and produced by “Whitewater West”, the world leading water slide manufacturer from Canada and has a total cost of nearly 8 million CAD or over THB 300 million. Ramayana’s water system is of the highest quality.

Our water filtration system alone cost THB 60 million and our water treatment system cost THB 15 million.

The quality of water is crystal clear and certified drinkable.

Safety Standard

Ramayana WaterPark's Team is focused on safety of every guest. Over 100 lifeguards certified by Starfish Aquatics Institute which is one of the world's leading innovative provider of training and riskreduction programs.

Design & Inspiration

Inspiration has come from the world's famous ancient heroic epic "Ramayana". The story is full of mystery, adventure, magic and love, which were brought to our architecture design for all guests around the world's unforgettable experience.
